

Mark G. Agresti, M.D. and Associates is a multi disciplinary psychiatric practice made up of caring professionals who strive to provide top quality service based on the individual needs of our patients. To aid us in this goal, we ask that you read and familiarize yourself with the following.

HOURS OF OPERATION:

Support staff is available to answer the phones in the office from 10:00am to 6:00pm Monday through Friday. After these hours, our answering service will handle phone calls and Dr. Agresti or your clinician will be paged for emergencies only. We are also available by email: AGRESTIMD@yahoo.com. The email is checked daily.

APPOINTMENTS AND CANCELLATIONS:

Appointments need to be scheduled in advance and this time is set-aside for you. Same day cancellations and missed appointments make it difficult to schedule someone else in that time slot. **If you have to cancel an appointment, you must give at least 24 hours notice. Late cancellations and missed appointments will be charged a \$65.00 fee for which you, not your insurance company will be responsible.**

After two consecutive missed appointments you must get approval from your provider before being rescheduled.

PRESCRIPTION REFILLS:

When you are in need of a prescription refill you should call **at least two days in advance**. Periodic appointments for medication management are required to assess your progress and allow you to continue to receive refills.

FEES AND CO-PAYMENTS:

Fees are expected to be paid at the time of service. We accept cash, credit and debit cards money orders and personal checks. No business checks are accepted. If you do not have your copay or payment, we will have to reschedule your appointment.

AUTHORIZATIONS:

Most insurances require prior authorization before your visit and a separate authorization is required for each provider you see in this office. It is the responsibility of the patient to obtain the first authorization. Any additional authorizations will be obtained by the office.

PERSONAL INFORMATION:

It is extremely important to keep this office updated on any changes in personal information such as address, phone numbers, and insurances.

FEES FOR COPIES OF MEDICAL RECORDS, FORMS, AND LETTERS:

If you request a copy of your medical records to be sent out of this office a release needs to be signed and there is a \$1.00 charge per page to copy it. This also applies to releases signed by yourself releasing your medical records to insurance companies or attorneys. You will not be charged if your medical records are transferred directly to another physician's office.

If you request a basic one page letter or form to be filled out from your provider there is a minimum fee of \$35.00.

Detailed forms and reports take more time so there will be an additional cost and a rate will be quoted to you.

CONFIDENTIALITY:

Confidentiality is protected by both state and federal laws. We adhere strictly to these laws and will not disclose any clinical information without a signed release of information from you. The exception to this would be in cases where there is clear and immediate danger to you, someone else or in cases of abuse, then appropriate action will be taken.

Patients should mail concerns, complaints or suggestions to:

INSURANCE WAIVER:

Please be advised that all services we provide for you in our office will be billed to your insurance company if we are contracted with your plan. You may become the liable party should your insurance company fail to pay us for the service.

We expect you to pay all deductibles and co-pays at time of service. If you have no insurance, payment in full is expected at time of service. Also, please be aware of what is covered and what is not covered under your particular insurance plan. **We do not pre-verify benefits for all of our patients and/or diagnostic services.** If there is a service that is not covered by your insurance company, you will become the liable party should your insurance company not pay.

Due to ever growing and changing insurance markets, we are unable to verify if we are participating with your insurance company. It will be left up to you to pre-verify that we are participating with your insurance company or their networks. If we do not participate with your insurance company, you will be responsible to pay for the service being rendered at the time of service, although we will provide "Courtesy Billing" for you. Any one knowingly (intentionally) providing false information or not updating information may be discharged from the practice and the account will be turned over to collections.

I am signing that I have read, accept and understand the above insurance waiver for all my services.

DID NOT KEEP APPOINTMENTS:

The office policy is that “no shows” or cancellations of less than 24 hours will be charged a fee of \$65.00 per appointment to cover the time lost. This fee is the responsibility of the patient and cannot be billed to your insurance company. This policy will not include sudden serious emergencies that arise when you call and inform us.

- Reminder phone calls are made to our patients 1-2 days before a scheduled appointment. These phone calls are extended as a courtesy on our part but it is your responsibility as the patient to remember to attend your scheduled appointments. Not receiving a reminder call does not constitute a valid excuse for missing an appointment so you will be charged as per the policy above.

I have read and accept the above policy.

Medications:

In order to provide the best quality care for our patients, Dr. Agresti and Associates are now using the CarePrescribe system. This enables our office to send prescriptions and authorize renewals directly to your pharmacy electronically. CarePrescribe eliminates calls to pharmacies, hold time on the telephone, callbacks and faxing to pharmacies. This tool provides medication history and coverage, along with drug-to-drug interaction to ensure your safety. Medications that are controlled (Stimulants, Amphetamines, sleep medications etc...) are unable to be processed by this system at this time.

Sign and print below to authorize Dr. Agresti and Associates to use the CarePrescribe system.
